THIS IS NEBRASKA GYMNASTICS

Nebraska women's gymnastics has built a reputation as one of the nation's elite programs. The Huskers are one of only seven teams to qualify for the Super Six Finals at least 10 times in the last 23 seasons.

The Huskers have won 16 conference titles in the past 24 years, while advancing to the NCAA Championships 19 times during that span. Overall, NU has won 25 conference titles and qualified for 25 NCAA Championships. Husker gymnasts have won a total of five NCAA individual championships and 155 All-America honors.

But winning titles is just a small part of Nebraska's all-around success. Husker gymnasts have captured 16 CoSIDA Academic All-America honors, second-most among women's gymnastics programs, and have won the most prestigious academic honors the NCAA has to offer - including the NCAA Today's Top Ten Award and the AAI Award.

Husker gymnasts are also outstanding citizens who regularly volunteer their time to give back to the community and prepare for success in life after sports.

Above: The Nebraska women's gymnastics program has been built on the strong support of top coaches and gymnasts, including (from left): Coach Dan Kendig, who has guided NU to 16 conference championships and 11 NCAA Super Six Finals appearances in his 24 seasons; Emily Wong, who was an 11-time All-American for Nebraska and the 2014 AAI Award winner; Heather Brink, Nebraska's current associate head coach who was a two-time NCAA Champion and 11-time All-American as a Husker gymnast; and Danielle Breen, who earned both second-team All-America and CoSIDA Academic All-America honors as a junior in 2017.

Right: The Nebraska women's gymnastics program has 25 conference titles in team history, including the 2017 Big Ten regular-season title and the 2014 Big Ten regular-season title (pictured). NU finished first at the Big Ten Championships in 2012 and 2013, its first two seasons in the conference. Before joining the Big Ten, the Huskers won nine Big 12 championships and 12 Big Eight titles. NU won six straight conference titles between 1994 and 1999 and followed that by winning three championships in a row from 2001 to 2003.

HEAD COACH DAN KENDIG

The all-time winningest women's gymnastics coach in program history, Nebraska Head Coach Dan Kendig enters his 25th season as the head coach of the Huskers in 2018. Since 1994, Kendig squads have combined to win two Big Ten team championships, two Big Ten regular-season team championships, nine Big 12 team championships and three Big Eight team championships. Under Kendig, the Huskers have made 19 NCAA Championships appearances and have qualified for 11 NCAA Super Six finals. He has coached 146 All-Americans and five individual national champions.

"Nebraska Gymnastics has and always will be an incredibly strong and exceptional program. I'm forever thankful and proud to have gotten the chance to be a small part of its history. There was an incredible hospitality and friendliness that came with being part of the Husker family. The support that was given to me by my coaches, teammates, athletic staff, academic staff and the community throughout my years there was unparalleled to anything else I've ever experienced."

BOB DEVANEY SPORTS CENTER

The Bob Devaney Sports Center is one of the top collegiate gymnastics venues in the nation. The Huskers have competed in the Devaney Center since it opened in 1976, but the building underwent renovations prior to the 2014 season. The renovated building seats 7,907 and includes five suites, a high definition center-hung video board and 10MM video boards on each side. Fan amenities include increased and renovated restrooms and updated concession stands. The Devaney Center played host to the 2003 NCAA Championships, where Nebraska finished fourth and Husker Richelle Simpson claimed two individual national championships. In the past two seasons, Nebraska has hosted both the Big Ten Championships and an NCAA Regional.

Top: The Bob Devaney Sports Center underwent a \$20 million renovation before the 2014 season, including a new south facade which welcomes fans to Nebraska's women's and men's gymnastics meets, volleyball matches and wrestling duals. Fan support at the Devaney Center is fervent for all four programs, as the volleyball team sold out 219-consecutive matches entering the 2017 season, and wrestling and men's gymnastics both ranked in the top-10 nationally in home attendance in their respective sports.

Middle: Over 3,000 fans packed the Devaney Center for the 2016 Tumble N Rumble, when the Nebraska women's gymnastics team faced off against Big Ten rival Minnesota, while NU's wrestling team competed simultaneously against Northwestern.

Bottom: The Huskers currently practice in Mabel Lee Hall, where they utilize 11,585 square feet of space to practice on a daily basis. The facility features space to train on all four events, including two vault tables and uneven bars, four balance beams and full-length floor. Mabel Lee Hall is also home to the Husker locker room, with a training room and space for student-athletes to relax or study. The Huskers are set to move into a \$14 million, 35,400 square foot practice facility that they will share with Nebraska's men's gymnastics team in 2020.

GYMNASTICS TRAINING FACILITY

The \$14 million Nebraska gymnastics training facility will open in January of 2020 and will be the home for both the Nebraska's men's and women's gymnastics programs. The facility will utilize 47,500 square feet as an addition to the northwest side of the Bob Devaney Sports Center. It will include a lobby, team rooms, locker rooms, equipment storage area, offices and meeting spaces. Construction of the facility is planned to begin in 2018.

OPENING JANUARY 2020

HUSKER STUDENT-ATHLETES

Nebraska Athletics is one of the few self-sustaining athletic programs in the country. In 2016-17, Nebraska was one of only two collegiate programs in the nation to attract nearly 1.3 million fans across its seven major team sports through the doors of its world-class facilities. This incredible interest and support enables Nebraska Athletics to invest in the student-athlete experience, as well as the overall game-day experience. Nebraska is a leader in providing all the resources and support necessary for student-athletes to become successful in Academics, Athletics and Life. Nebraska will continue to strategically plan for avenues to strengthen the resources to support more than 600 Husker student-athletes across 24 sports.

ACADEMIC EXPERIENCE

More than 600 student-athletes, including football's Stanley Morgan Jr., benefit not only from Nebraska's full cost of attendance scholarships and the MacBook Air program, but also the amazing facilities and staff support within the Dick and Peg Herman Family Student Life Complex. Nebraska leads the nation in CoSIDA Academic All-America and NCAA Today's Top Ten awards.

ATHLETIC EXPERIENCE

Nebraska's strength and conditioning has long been at the forefront of college athletics. Under the direction of Boyd Epley, Nebraska has a staff of 14 strength coaches who create personalized strength and conditioning programs for Husker student-athletes. The David and Carol Alloy Strength Complex, where the Nebraska women's gymnastics team trains, is pictured above.

LIFE SKILLS EXPERIENCE

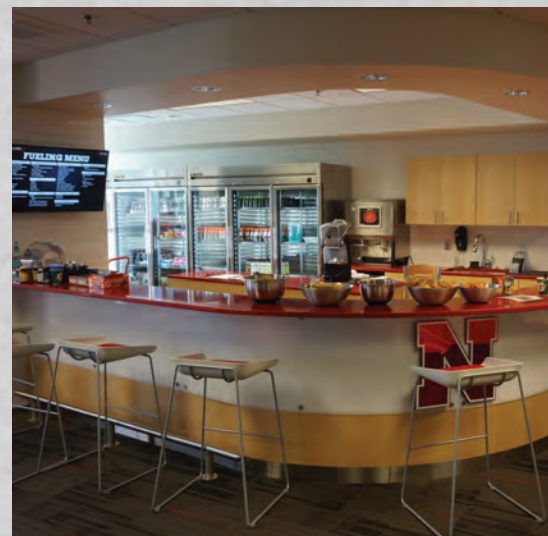

The Husker Life Skills program allows student-athletes to continue their development and impact lives in the community. In 2016-17, Husker student-athletes, including sophomore Catelyn Orel pictured above at the Husker Heroes event, completed more than 400 outreach activities while volunteering nearly 8,000 hours to impact approximately 35,000 people in Nebraska communities.

A LIFETIME EXPERIENCE

SPORTS NUTRITION LEWIS TRAINING TABLE

Husker student-athletes have ample places to dine, as the Lewis Training Table is open extended hours for meals, while the North Stadium and Hendricks Training Complexes have areas for supplements for recovery after workouts or for snacks throughout the day. Nebraska's three full-time sports dietitians work with the Lewis Training Table manager and executive chef to plan and prepare meals to help maximize performance for student-athletes. Nebraska's individual nutritional counseling focuses on performance nutrition strategies, hydration, quality food choices and proper supplementation to help student-athletes reach their full potential.

ATHLETIC MEDICINE: CARING FOR HUSKERS

Nebraska's Athletic Medicine facilities rank among the nation's best, while one of the most experienced medical staffs in the nation care for all Husker student-athletes. Nebraska's medical team consists of 13 full-time athletic trainers and eight graduate assistant trainers, led by Associate Athletic Director Dr. Lonnie Albers (kneeling far left), Head Athletic Trainer and Physical Therapist Jerry Weber and Head Football Athletic Trainer Mark Mayer. A full staff of orthopaedists is also available to the Huskers, led by Dr. Richard Dugas (pictured back in white). The Husker Athletic Medicine team also includes a full-time, in-house athletic psychologist, and sports psychiatry consultants who work directly with Husker student-athletes.

In August of 2014, the NCAA Division I Board of Directors restructured the way member institutions and conferences, including the Big Ten, govern themselves. Nebraska has a great history and tradition of providing unmatched benefits and support to student-athletes. However, this change in governance, and subsequent legislation, paved the way for Nebraska to enhance the benefits and experiences for student-athletes. A few examples of these enhanced benefits are:

- All scholarship student-athletes across all sports have their scholarship calculated based on the full cost of attendance.
- Each student-athlete is offered an Apple MacBook Air laptop computer to enhance their learning opportunities (pictured top left).
- Nebraska has increased resources and support in all academic and performance related areas including but not limited to Academic Services, Life Skills, Athletic Medicine, Athletic Training, Strength and Conditioning, Nebraska Athletic Performance Laboratory, Nutrition and Dining Services (Training Table) and Sports Analytics.
- Nebraska created the first-known Post-Eligibility Opportunity (PEO) program, where every student-athlete graduate who has exhausted their athletic eligibility has the opportunity to pursue (with Nebraska support) an internship, participate in a study abroad program or attend graduate school within the University of Nebraska system.

ACADEMIC SUCCESS

Nebraska increased its nation-leading total of CoSIDA Academic All-America awards to 329 with four selections in 2016-17. Senior track standout Drew Wiseman (Bismarck, N.D., Electrical Engineering) was named the CoSIDA Men's Track and Field Academic All-American of the Year while claiming the second first-team Academic All-America award of his career. Wiseman was named Nebraska's Male Student-Athlete of the Year and ended his career as a six-time All-American. Women's track and field star Tierra Williams (Auburn, Neb.) was named Nebraska's Female Student-Athlete of the Year. She was a seven-time All-America jumper and a 2016 Big Ten Distinguished Scholar. Wiseman and Williams, were Nebraska's 2016-17 Big Ten Medal of Honor winners.

The Nebraska men's track and field team continued its extraordinary run of CoSIDA Academic All-America success with Wiseman's first-team selection. Four-time volleyball All-American Kadie Rolfzen (Papillion, Neb., Advertising & Public Relations) was also a first-team Academic All-American, as was All-Big Ten soccer player Caroline Flynn (Lincoln, Neb., Communication Studies). A 2016 second-team All-American on the balance beam, gymnast Danielle Breen (Ames, Iowa, Accounting) earned second-team Academic All-America honors in the Women's At-Large division.

Graduation is the ultimate achievement, and 126 Husker student-athletes earned undergraduate and graduate degrees in three commencement exercises at Pinnacle Bank Arena in 2016-17.

A total of 126 Nebraska student-athletes earned their degrees in 2016-17, including 54 in May 2017, 57 in December 2016 and 15 in August 2016. Jennie Laeng (left) earned her bachelor's degree as a psychology major from Nebraska in May of 2017. A two-time All-Big Ten performer, Laeng earned both NCAA and Big Ten Postgraduate Scholarships in 2017. Ashley Lambert (center) earned her degree in advertising and public relations in August of 2017 following her tenure as a Husker in which she won three All-America awards. Hollie Blanske (right) earned her degree from Nebraska in December of 2016 after majoring in management and marketing. The six-time All-American was also a three-time NACGC/W Scholastic All-American and a three-time Academic All-Big Ten performer.

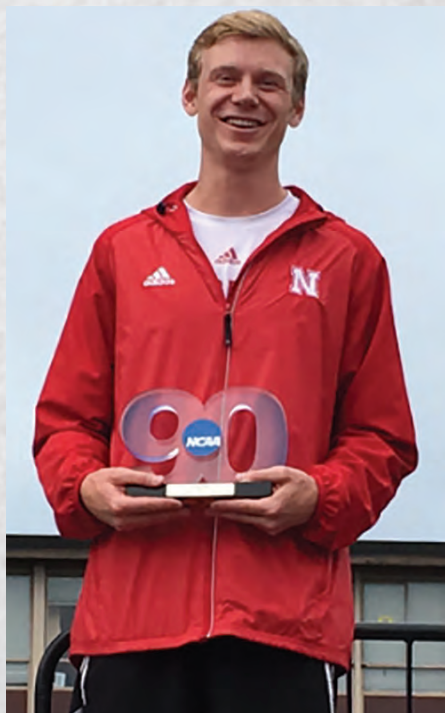

LEADING THE NATION

Five Huskers earned Outstanding Scholar Awards in 2016-17. The seniors with 3.900 GPAs or better were Caroline Flynn (soccer); Jennie Laeng (women's gymnastics, pictured above); Kelly Schatz (soccer); Drew Wiseman (men's track and field); Emily Wood (women's basketball). Laeng also earned prestigious NCAA and Big Ten Conference Postgraduate Scholarships worth a total of \$15,000.

Volleyball standout Kadie Rolfzen earned first-team CoSIDA Academic All-America honors in 2016. Rolfzen, a two-time first-team AVCA All-American, became just the third volleyball player in school history to earn four All-America awards, joining Husker Olympians Jordan Larson and Sarah Pavan. Rolfzen was also an NCAA Postgraduate Scholarship recipient in 2017.

Drew Wiseman was the Academic All-American of the Year for Men's Track and Field in 2017. A two-time NCAA Elite 90 recipient, Wiseman was also a six-time All-American on the track, earning accolades in both the 400-meter hurdles and the 4x400-meter relay.

Danielle Breen garnered CoSIDA Academic All-America honors in 2017 after helping the Huskers win the Big Ten regular-season title. Breen was also a second-team All-American on balance beam and is a two-time All-Big Ten performer.

THE ACADEMIC EXPERIENCE

"What's so special about Nebraska is the people and the staff at the University of Nebraska truly care for people and want them to succeed. They surround you like family, celebrating each individual, and will provide many tools and resources for you to achieve your academic and athletic goals. Realizing the importance of individuals working together as a team, they teach and support you in becoming a better version of yourself."

Heather Brink, Nebraska Associate Head Coach
2000 Honda Award Winner
2016 Nebraska Athletics Hall of Fame Inductee

The athletic academic unit, located in the Dick and Peg Herman Family Student Life Complex, provides personal and academic support to ensure that student-athletes will get the most out of their years as Huskers. Featuring one of the most innovative and comprehensive academic support systems in the country, Nebraska is dedicated to helping its student-athletes become outstanding leaders in their chosen fields. The academic support team is composed of 14 full-time staff members and is certified by the National Association of Academic Advisors for Athletics (N4A) as meeting the standards established by the N4A.

ACADEMIC COUNSELING

Seven academic counselors, three learning specialists and two assistant academic counselors are in place to monitor daily academic progress, receive consistent course feedback, assist with the advising/registration process and monitor continuing eligibility and progress toward graduation.

TUTORIAL SUPPORT

A tremendous resource for all academic abilities, unlimited tutorial support from approximately 75-100 tutors on staff is available from day one up to college graduation in all subject areas. The tutorial program is certified as a model tutoring program by the College Reading and Learning Association.

STUDY HALL

Nebraska's study hall program is housed in the D.J. Sokol Enrichment Center within the Student Life Complex. Student-athletes attend a supervised, flex-time study hall that features day, evening and weekend hours. Student-athletes are required to complete a specific number of study hours each week as determined by their academic counselor and/or coach. Additional performance-based or tutor-based study hall also may be determined by the academic counselor.

MENTORING

Academic support staff serve as mentors to all incoming student-athletes and a select group of returning student-athletes. The student-athletes meet with their mentor weekly to develop time management skills, gather and report academic progress information, and discuss academic success strategies.

EDUCATIONAL ASSESSMENTS

Assessments are administered upon the request of the student-athlete, academic counselor, or coach. Learning specialists are available to administer and score informal assessments, which include a reading comprehension and a writing assessment. When more in-depth assessments are necessary, referrals are made to a consulting psychologist who conducts the assessments. If it is determined a student-athlete has a learning disability or another medical condition that impedes the student from reaching their academic potential, appropriate accommodations are implemented by the Office of Services for Students with Disabilities.

STUDENT-ATHLETE ORIENTATION

Each new student-athlete attends an orientation at the beginning of their academic career. Student-athletes are introduced to staff, faculty, administrators, and a variety of resources that help facilitate the transition into college while enhancing awareness of support services in the Athletic Department and across campus.

PERSONAL COUNSELING

Student-athletes will find a supportive and caring environment at Nebraska. Transitional issues, stress management, time management, academic focus and problem resolution are all addressed in a proactive manner throughout the year. If necessary, counseling referrals are also made to designated practitioners.

COMPUTER RESOURCES

The Herman Student Life Complex has two computer labs available for student-athletes. The Scott Technology Center features two tech tables for use on group computer projects and group study sessions. New laptops are provided to all student-athletes for use during their academic career at Nebraska.

LIFE SKILLS

Regarded as the premier and most comprehensive Life Skills program in college athletics, the Husker program is committed to providing proactive education, resources and support through college and beyond to promote total person development and preparation for life after sports. Led by Senior Associate Athletic Director Keith Zimmer, five full-time staff members coordinate community involvement, career planning, effective communication strategies and much more to benefit Husker student-athletes.

In May of 2017, 22 student-athletes traveled to Nicaragua as part of the NoFilter program to serve abroad with Seeds of Learning, a nonprofit organization that helps to create educational opportunities in rural Latin America. Over the course of one week, these Huskers experienced a new culture, created new friendships and relationships, and most importantly, helped build additional classrooms for a school in the town of Villa Japón. Former Husker women's gymnastics student-athlete Megan Kuo (second row, first from left, holding child) was one of the NU student-athletes that traveled to Nicaragua.

STUDENT-ATHLETE DEVELOPMENT

The Nebraska women's gymnastics team claimed NU's Life Skills Award of Excellence (top) for exceptional commitment to the Life Skills program for the first time in 2017. In addition, 2017 senior Jennie Laeng earned a prestigious Heart & Soul Award (middle left), while Danielle Breen was presented with a Sam Foltz Hero 27 Leadership Award (middle right).

PROACTIVE EDUCATION

The Life Skills team organizes several orientations aimed at acclimating student-athletes to college life. Additionally, all incoming student-athletes attend the fall semester Husker Life Seminar. This interactive class promotes responsible decision-making, personal brand, financial literacy, leadership, involvement and service.

INDIVIDUAL MEETINGS

Every Nebraska student-athlete is assigned a Life Skills staff member who will assist with personal and career development. The meetings help each student-athlete identify a career focus and implement a plan to increase career marketability.

CAREER COMMITMENT & NETWORKING

Annually, Nebraska Life Skills organizes a Student-Athlete Career Fair, Networking Night (pictured bottom left) and other career events aimed at connecting Huskers with companies desiring competitive, hard-working, accountable candidates. Athlete Network and Husker Hire Link provide opportunities to explore career opportunities across the country.

COMMUNITY OUTREACH

Nebraska student-athletes readily accept the role-model challenge, collectively giving more than 8,000 hours annually to impact thousands across the state of Nebraska. Outreach events include but are not limited to hospital visits, mentoring, school assemblies, statewide rallies, Make-A-Wish, School is Cool and Husker Heroes.

LEADERSHIP

Nebraska Life Skills provides student-athletes with countless opportunities to enhance leadership skills while distinguishing themselves from the competition. Student-athletes can be members of the Student-Athlete Advisory Committee, Uplifting Athletes Chapter or Inner Circle. UNL offers more than 600 recognized student organizations allowing athletes to collaborate with other campus leaders for common goals. Nebraska Life Skills funds and coordinates an annual one-week service abroad trip that allows 20 student-athletes to work together toward a common goal while enriching cultural competencies.

RECOGNITION

In 2016-17, a total of 386 Nebraska student-athletes across all sports were named to the Tom Osborne Citizenship Team for completing a minimum of six service projects in the calendar year. A host of other recognition opportunities at the institutional, Big Ten and NCAA levels that all reflect the high ideals, character and servant leadership nurtured through community involvement also are available.

POST-ELIGIBILITY OPPORTUNITIES

Effective December 2015 and beyond, student-athletes who letter and graduate will have a three-year window to benefit from one of three post-eligibility opportunities each valued at \$7,500. Upon completion of required seminars, graduates can either study abroad, complete an internship or begin graduate school within the University of Nebraska system. Hollie Blanske (pictured bottom right), a six-time All-American for the Nebraska women's gymnastics team, completed a PEO internship at Frontier Harley Davidson in Lincoln that led to a full-time job working in marketing at the same company.

DIVERSITY AND INCLUSION

The Life Skills program also is responsible for all Diversity and Inclusion initiatives for Husker Athletics. Since 2016, the Diversity and Inclusion Summit has reached all student-athletes and staff members with programming emphasizing respect, acceptance and unity. Numerous other special events are coordinated in collaboration with campus departments highlighting the diversity within Husker Nation.

ATHLETIC MEDICINE

Providing expert care to more than 600 Husker student-athletes, Nebraska features one of the most well-trained and highly skilled athletic medicine staffs in the country. Under the guidance of Director of Athletic Medicine Dr. Lonnie Albers, Head Athletic Trainer and Physical Therapist Jerry Weber and Football Head Athletic Trainer Mark Mayer, the 2017-18 Nebraska athletic medicine staff consists of five physicians, 13 full-time athletic trainers, eight graduate assistant athletic trainers, two full-time in-house athletic psychologists and sports psychiatry consultants who work directly with student-athletes.

Nebraska's medical facilities have long been among the nation's best, and NU's athletic medicine center within the Tom and Nancy Osborne Athletic Complex will keep the Huskers on the front line of technology for decades to come. In addition to Nebraska's North Stadium facility, the Bob Devaney Sports Center, Haymarket Park, Pinnacle Bank Arena and the Nebraska Soccer and Tennis Complex all feature athletic medicine areas. The Devaney Center's Athletic Medicine facility underwent an extensive expansion as part of the Hendricks Training Complex addition in 2011.

Nebraska uses advanced equipment, including two anti-gravity treadmills, to help athletes recondition after injuries.

Nebraska's Athletic Medicine Center features a hydrotherapy area that includes a three-level laned pool. The Hydroworx 1000 Treadmill Pool is equipped with two cameras underwater for evaluation and assessment.

The hot and cold plunge tanks in the Holthus Family Hydrotherapy area help the Huskers recover after workouts and injuries.

Nebraska's on-site medical services for student-athletes rank among the nation's best. Dr. Lonnie Albers, Head Athletic Trainer Jerry Weber (pictured) and the Athletic Medicine staff have their own X-ray equipment at Memorial Stadium.

CHAMPIONSHIP FACILITIES

From training facilities to competition venues, Nebraska's athletic facilities are second-to-none across the collegiate landscape. From Memorial Stadium to Pinnacle Bank Arena and the Bob Devaney Sports Center, Husker student-athletes have the benefits of training and competing in some of the nation's finest facilities. Fans around the country follow the Huskers with amazing passion across all sports. In 2016-17, Nebraska was the only Division I program to rank in the top 15 nationally in attendance in football and men's basketball. Overall, nine Husker sports ranked among the top 20 nationally in attendance in 2016-17.

NAPL: INTEGRATING SPORT,

The Nebraska Athletic Performance Laboratory (NAPL) is recognized as the first performance research center within a collegiate department of athletics. The NAPL features a talented, multidisciplinary team that includes a full-time director, assistant director and biomarker lab director, and two research post-doctoral fellows.

Located in East Memorial Stadium adjacent to UNL's Center for Brain, Biology and Behavior (CB3), the NAPL collaborates with Nebraska's Performance staff and athletic programs to offer the highest level of integration of sport performance technologies and systems.

The NAPL is made up of the Mark and Debra Classen Cardio Area, James and Karen Linder Dynamic Performance Center, Markin Family Collaborative Center, Thayer Family Athletic Research Lab and cutting-edge equipment donated by the Suzanne and Walter Scott Foundation. The main entrance for the research facilities is located in the Janet and Gerard Keating Family Concourse.

Focused on student-athlete health, safety and welfare, the NAPL is a world-leading research and performance facility focusing on the performance enhancement, safety and long-term well-being of student-athletes.

The NAPL includes simulated athletic environments for studying performance, incorporating a camera system to track human motion capture videos (3D) to measure athletes in their development through testing results to create an athletic performance index for each athlete, force plates to measure ground reaction forces and state-of-the-art technology to assess physiological limitations and biomarkers, investigate exercise cardiovascular capacity and measure body composition.

All 24 Husker athletic programs conduct performance testing at NAPL. Force plates and motion capture videos (3D) are used to measure athletes in their development through testing results to create an athletic performance index for each athlete.

The NAPL uses iDexa as an advanced, accurate and reliable method to analyze and measure body composition.

The focus of the Thayer Family Athletic Research Lab is recovery from competition, travel and all stressors a student athlete might experience by measuring salivary biomarkers hours prior to and up to 24 hours post-competition.

PERFORMANCE AND RESEARCH

Researchers in the Thayer Family Athletic Research Lab measure salivary biomarkers to focus on recovery.

Nebraska's Strength and Conditioning team utilizes NAPL facilities and equipment to optimize performance testing across all 24 Husker sports.

Nebraska's Nutrition staff led by Lindsey Remmers utilizes NAPL technology for body composition testing.

Equipment, technology, researchers and student-athletes come together in the Nebraska Athletic Performance Laboratory to put the Huskers on the cutting edge of sport science.

DAN KENDIG
HEAD COACH | 25TH SEASON

When Nebraska Head Coach Dan Kendig was hired in 1993, his goals were to return the Nebraska gymnastics program to national prominence and to have Nebraska in a position to win a national title, while also maintaining the highest standards of academic excellence for Husker student-athletes.

Kendig has not only accomplished those goals, but made them a standard for excellence in his 24-year tenure, as Nebraska is considered among the nation's elite in both the gym and the classroom.

In the 24 seasons of the existence of the NCAA Super Six Finals, Nebraska is one of only seven programs, along with Alabama, Florida, Georgia, Michigan, UCLA and Utah to qualify for 10 or more team finals, and the Huskers have earned NCAA Championship berths in 15 of the past 18 years. Under Kendig, 42 NU gymnasts have combined to earn 146 All-America honors since 1995, more than 15 times NU's previous total during the program's first 18 seasons.

At the conference level, the results are equally as impressive. Nebraska has won 15 conference titles during Kendig's tenure, including an unprecedented six straight Big Eight/Big 12 crowns from 1994 to 1999. In addition, Nebraska has had at least one individual conference champion in each of the past 20 seasons and 10 all-around champions, while seven gymnasts have been conference newcomers of the year.

Since Kendig arrived at NU, his teams have compiled an outstanding 571-214-4 (.724) record, including a 381-85-2 regular-season record and a 190-129-2 postseason mark. He has also earned national, regional or conference coach-of-the-year honors in 10 of the past 20 seasons.

Twelve of Nebraska's 15 CoSIDA Academic All-America awards in women's gymnastics have come under Kendig, while he has also guided two NCAA Woman of the Year finalists -- Shelly Bartlett in 1997 and Richelle Simpson in 2005. In addition, Kendig coached Joy Taylor when she became the 1996 CoSIDA Academic All-American of the Year, as well as Simpson, who was recognized with a 2005 NCAA Top Eight Award. Kendig has guided numerous other academic all-conference and NACGC/W Scholastic All-America honorees in his time at Nebraska.

For his accomplishments with the Husker gymnastics program, Kendig was honored by his peers as the NCAA Coach of the Year in 1999 and 2003.

SEVENTH-PLACE FINISH IN 2017

The 2017 season was another special one for Nebraska, as the Huskers won the Big Ten regular-season championship and finished seventh overall at the NCAA Championships. The Huskers put forth their best effort of the season at the NCAA meet, just missing the Super Six Finals with a score of 197.2125. Three Huskers earned a total of four All-America honors, as Ashley Lambert earned a pair of second-team honors on vault and floor to finish her career as a three-time All-American. Sienna Crouse and Danielle Breen took home their first-career All-America honors, with Crouse picking up first-team recognition on vault, and Breen earning second-team honors on beam. NU went 8-1 in conference action in the regular season to win its second Big Ten regular-season title. Taylor Houchin was named the Big Ten Freshman of the Year as she set a pair of NU freshman records. Six Huskers were named All-Big Ten, while nine Huskers earned Academic All-Big Ten honors in 2017.

THE FIRST DECADE: SETTING A STANDARD

Kendig's first decade at Nebraska produced its share of memorable moments, including nine conference titles, eight NCAA Championship appearances and the NACGC academic team title in 1995.

In his first season as head coach in 1994, Kendig led the Huskers to their first Big Eight title since 1990, while earning conference coach-of-the-year honors. Seven gymnasts, including Kim DeHaan, who was selected the Big Eight Newcomer of the Year, earned all-conference honors, and Nebraska's fourth-place regional finish was its best in four years.

In 1995, Nebraska continued to move toward national prominence. Behind conference titles from Martha Jenkins and DeHaan, Nebraska repeated as Big Eight champions. At the Midwest Regional held in Lincoln, NU finished second, allowing the Huskers to return to nationals for the first time since 1990. The Huskers placed 11th at the NCAA Championships, and Taylor became the sixth Husker in school history to earn All-America honors, placing 15th on bars.

Kendig's 1995 squad also earned considerable praise in the classroom. Nebraska was named NACGC academic gymnastics team champions, compiling a 3.561 team grade-point average, while seven Huskers were named to the Big Eight Academic Honor Roll, including Nicole Duval, who earned first-team CoSIDA Academic All-America honors, and Taylor, who was named a second-team CoSIDA Academic All-American.

The 1996 Huskers closed the book on the Big Eight with a dominating performance at the final conference meet. Kendig was named Big Eight Coach of the Year for the third straight season, and NU won its 12th and final Big Eight title. Individually, DeHaan and Taylor combined to win all four individual event titles, marking the first time that NU swept all four crowns at the conference meet. Taylor also won the all-around, while Misty Oxford was named Big Eight Newcomer of the Year.

After advancing to the NCAA Championships for the second straight season, the Huskers barely missed a bid to the Super Six by the slimmest of margins -- .025 of a point -- finishing 10th. DeHaan earned All-America honors on bars by finishing 11th. The 1996 squad also boasted a pair of first-team CoSIDA Academic All-Americans in Taylor and DeHaan, marking the third straight season NU had at least one academic All-American. Taylor, who was selected as the CoSIDA Academic All-American of the Year, and DeHaan both sported perfect 4.0 GPAs.

In 1997, Kendig's Huskers rewrote the record book, setting school records on each apparatus in posting a 22-2 regular-season mark, NU's best record in seven years. The Huskers, behind seven all-conference selections, captured the inaugural Big 12 title, as Shelly Bartlett won the all-around title and two event titles, while Heather Brink tied Bartlett for the bars crown and was selected as the Big 12 Newcomer of the Year.

After finishing third at regionals, the Huskers recorded one of the most memorable moments in school history at the NCAA Championships in Gainesville, Fla. After missing the Super Six Finals the previous year, the Huskers claimed a berth in the team championship by hitting all 24 routines in the preliminary session, forcing a tie with top-ranked Utah. Nebraska won the tiebreaker, which was the score of the sixth gymnast in each event, 234.725-234.350, to make its first appearance in the Super Six Finals in program history. The Huskers finished sixth, as Bartlett, Brink, Oxford and DeHaan captured 10 All-America awards.

In 1998, NU posted a 14-4 regular-season mark and won its fifth straight league title to mark the first time in Big 12 history a women's gymnastics team had won five titles in a row. Nebraska also paced the Big 12 in the classroom, as eight gymnasts earned academic All-Big 12 honors, including seven first-team honorees. Courtney Brown, Laura Ohlendorf and Oxford were named NACGC Scholastic All-Americans.

In 1999, Nebraska enjoyed one of the most successful seasons in program history, going 26-10, winning the Big 12 title and qualifying for the NCAA Championships. NU returned to the Super Six and finished sixth overall, as Brink, Oxford and Brown earned eight All-America honors. In addition, four gymnasts captured Scholastic All-America honors, while all 10 student-athletes who were eligible for academic all-conference honors earned first-team or honorable-mention accolades.

The 2000 season was a special one for Kendig and the Huskers, as Nebraska celebrated its program's silver anniversary season with a 36-9 record, the first regional title since 1983 and a fourth-place finish at the NCAA Championships, equaling the best finish in school history. NU was ranked as high as third nationally, and set numerous team and individual school records. Individually, Heather Brink won the NCAA all-around and vault titles and became the first Husker gymnast to win the Honda Award, emblematic of the nation's top gymnast.

The Huskers reached new heights in 2001, smashing the school total team score record by more than three quarters of a point with a 197.750. NU topped the previous record team score seven times that year, highlighted by a commanding performance at the Big 12 Championships, where Nebraska set school records on bars (49.725) and team away scores (197.650).

In 2002, the Huskers finished with a 23-8 record, a fifth Big 12 title, a third consecutive

regional title and a fifth-place finish at the NCAA Championships. NU's 2002 team excelled in the classroom as well, earning a team GPA of 3.4015.

Kendig's 2003 squad, arguably the strongest team Nebraska has ever produced, finished with a 27-4 overall record, a sixth Big 12 title, a fourth consecutive regional title and a fourth-place finish at the NCAA Championships at the Devaney Center. The Huskers set school team records on vault, floor and total scores with a stellar 198.300 against Iowa State. Simpson captured the NCAA all-around and floor titles to lead a group of seven gymnasts who earned a total of 16 All-America honors, the most awards Nebraska has received in a single year.

THE NEXT CHAPTER OF SUCCESS

Kendig entered his second decade as the Husker head coach in 2004, and NU compiled a 15-9-1 record and a second-place finish at the NCAA Southeast Regional in Lincoln. NU traveled to its sixth consecutive NCAA Championships, where the Huskers finished in 10th place. Four gymnasts earned first- and second-team All-America awards at the NCAA Championships - Libby Landgraf (V, UB), Jamie Saas (BB), Kristi Esposito (AA, BB) and Michele Zabawa (V). Gina Bruce earned NU's only perfect 10.0 score of the season on vault against Missouri on Jan. 31.

In 2005, NU followed up with a sixth-place finish at the NCAA Championships, working through adversity with the loss of an injured Simpson in the postseason. Four gymnasts grabbed seven All-America awards, as Emily Parsons came away with first-team honors on floor and second-team accolades in the all-around, beam and vault. Esposito was a first-team honoree on beam, while Zabawa and Desiré Sniatynski earned second-team recognition on bars. Simpson, a nine-time All-American, was honored as the AAI Award winner, making her the first Nebraska gymnast to accomplish such a feat. Simpson was also named Nebraska's Female Student-Athlete of the Year, earned a prestigious NCAA Postgraduate Scholarship and was honored with the NCAA Top Eight Award.

The 2006 season saw the Huskers go 26-11-1 in a fifth-place NCAA Championships finish. On the first day of national championship competition, NU finished first in its preliminary session for the program's best opening performance since 2003. Seven Huskers took home 10 All-America awards to close the year, with Parsons leading the way with first-team honors on vault, floor and the all-around. Tricia Woo was a first-team honoree on floor and a second-team winner on beam, while Vanessa Meloche took home first-team accolades on bars. Zabawa and Sniatynski also earned second-team All-America status on bars, while Stephanie Carter and Kylie Stone were named to the second team on floor and vault, respectively.

Nebraska gave a strong finish to the 2007 season at the NCAA Championships in Salt Lake City, Utah, placing sixth in the team competition and taking away an overall record of 26-12 on the year. Four Huskers earned six All-America honors at the event, while three competitors qualified for individual event finals. Nebraska's appearance at the NCAA Championships was its ninth in a row and 18th overall. Parsons continued her dominance through her junior year, as she was named a first-team All-American on vault and floor exercise, bringing her career total to nine All-America awards. Woo earned first-team All-America honors on beam, giving her a career total of three All-America nods. Zabawa was the third Husker to take first-team All-America honors, being named to the vault team, and also earning a second-team spot on bars. In addition, Sniatynski garnered second-team All-America status on bars for the third consecutive year.

Dan Kendig celebrates with senior Grace Williams in 2017.

In 2008, Kendig led the Huskers to a third-place finish at the NCAA Southeast Regional in their 25th straight NCAA postseason appearance and a 13-9 overall record. Two Huskers earned three All-America honors and qualified for event finals at the NCAA Championships. Parsons captured a first-team nod on beam and second-team recognition in the all-around and Sniatynski also garnered first-team All-America honors on bars. Additionally, Woo captured her first Big 12 title on beam.

In 2009, Kendig's Husker squad made a third-place showing at the NCAA Southeast Regional in their 26th straight NCAA postseason appearance. Junior Kylie Stone tallied the second All-America award of her career at the NCAA Championships in Lincoln. Throughout the season, the Huskers saw strong performances from veteran leaders as well as a glimpse of a bright future with NU's strong freshman class. As a result of the accomplishments of his team, Kendig was named the 2009 Big 12 Coach of the Year.

Nebraska gave a strong finish to the 2010 season at the NCAA Championships in Gainesville, Fla., placing seventh in the team competition and taking away an overall record of 23-8 on the year. Six Huskers earned seven All-America honors at the event, while two competitors (Lora Evenstad and Brittany Skinner) qualified for individual event finals. Nebraska's appearance at the NCAA Championships was its 19th overall in program history.

Kendig and the Huskers posted another strong season in 2011, finishing with a 22-12 record overall. Kendig guided the Huskers to a fourth-place showing at the NCAA Championships, matching their best finish in school history. Nine Huskers earned 11 All-America honors at the event, while seven competitors (Erin Davis, Janelle Giblin, Jamie Schleggenbach, Maria Scaffidi, Emily Wong and Evenstad) qualified for individual event finals. In NU's final season in the Big 12 Conference, Kendig was honored as the 2011 Big 12 Coach of the Year, the seventh such accolade of his career. He also guided the Huskers to their ninth Big 12 Championship - and the first since 2007.

Nebraska put together another outstanding season under Kendig's leadership in 2012, posting a 24-7 record. The Huskers qualified for the NCAA Championships where the team notched an eighth-place finish. Three Huskers garnered a total of eight All-America honors, and all three All-Americans (Jessie DeZiel, Wong and Giblin) qualified for the individual event finals. Nebraska's appearance at the NCAA Championships was its 21st overall in program history. In Nebraska's first season of competition in the Big Ten Conference, Kendig guided the Big Red to the Big Ten Championship, while five Huskers earned All-Big Ten honors. In recognition of his work in the gym throughout the season, Kendig was named the 2012 Big Ten Coach of the Year.

Kendig continued his impressive coaching career in 2013, as the Huskers captured another Big Ten Conference title and six All-America awards at the NCAA Championships, finishing with an overall record of 19-5. The Huskers qualified for NCAA postseason competition for the 29th time in program history, finishing third at the NCAA Morgantown Regional. The 2013 squad posted three of the highest team scores in school history throughout the year while consistently being ranked as one of the nation's top-10 squads.

Under Kendig's coaching, Nebraska earned its third consecutive conference title at the 2013 Big Ten Championships where the Huskers posted their conference championship record score of 197.800. Emily Wong captured her second consecutive Big Ten all-around title, and the team hit an event high 49.725 score on the vault with four gymnasts tying for top honors. Nebraska sent three competitors to the 2013 NCAA Championships in Wong, Jessie DeZiel and Brittany Skinner. Wong placed third overall in the all-around competition and 10th on vault. Wong also took home four All-America awards, while DeZiel pulled down two.

The 2014 season was an exciting one for Kendig and the Huskers, as Nebraska battled its way into the Super Six Finals for the 11th time in school history. NU finished the season with a 27-11 overall record and the Big Ten Conference regular-season title. Four Huskers took home seven All-America honors at the NCAA Championships, as DeZiel came away with first-team honors on beam and second-team in the all-around. Hollie Blanske and Jamie Schleggenbach both added first-team honors on beam, while Schleggenbach finished third overall at the event finals. Wong tacked on three honors, finishing eighth on floor, 14th on beam and fifth in the all-around competition.

Under Kendig's leadership, Wong capped one of the most successful seasons by a Nebraska gymnast in school history. Through the regular season she captured 32 event titles, including 10 all-around crowns. Wong was the 2014 AAI Award winner, an honor given annually to the nation's top gymnast on the basis of athleticism, academic excellence and civic responsibility.

In 2015, NU compiled its best season winning percentage in four seasons with a 28-9 record. Nebraska earned its 17th NCAA Championships bid under Kendig, finishing the season with a 15-1 regular-season record, an eighth-place finish at the NCAA Championships and three All-Americans. Blanske earned first-team All-America honors on floor after earning a berth into the event finals, finishing 11th overall. Blanske also grabbed second-team accolades in the all-around. DeZiel closed out her collegiate career with a bang, taking home first-team honors in the all-around with a sixth-place overall finish and a second-team award on vault. Ashley Lambert garnered her first career All-America accolades after a record-setting season, earning second-team honors on floor.

Nebraska had another successful season in 2016, which culminated with an eighth-place finish at the NCAA Championships. The Huskers posted a team score of 195.775 to finish fifth in their NCAA semifinal. Blanske earned three All-America honors at the national meet, including first-team honors on vault and second-team honors on floor exercise and in the all-around. NU took second at the Big Ten Championships, and finished second at the NCAA Iowa City Regional to advance to the NCAA Championships.

KENDIG'S HUSKER CONNECTION

Kendig's ties to Husker gymnastics date back to 1981, when he served as an assistant under Judy Schalk for three seasons. In his first stint at Nebraska, the Huskers won two Big Eight titles and made NCAA appearances in 1982 and 1983. The 1983 squad was one of only five NU squads in school history to win an NCAA regional.

In 1983, Kendig became the head coach at Indiana University of Pennsylvania, where he stayed until 1992. His teams captured NCAA Division II national titles in 1988 and

During the 1993 season, Kendig served as head coach at Cornell, where he coached three academic All-Americans. Kendig, who earned a bachelor's degree in physical education from Kentucky in 1979, then returned to his NU roots after the 1993 season. At that time, he also became an instructor at the Woodward Gymnastics Camp in Woodward, Pa. In his 25 years at Woodward, Kendig has advanced from an instructor to a program director to a master staff instructor.

HEATHER BRINK
ASSOCIATE HEAD COACH | 7TH SEASON

Heather Brink is in her third season as Nebraska's associate head coach and her seventh season as a member of the Husker coaching staff in 2018. An 11-time All-American at NU, Brink is the Huskers' beam coach and assists with floor choreography and has numerous responsibilities including recruiting, travel accommodations and academics.

She has not only helped develop one of the most talented beam squads in the nation during her tenure on Nebraska's staff, but Brink has also demonstrated unprecedented leadership in and out of the gym. With over 30 years of gymnastics experience, Brink plays an important role in recruiting, program development and team building. Her dedication to the rich program tradition is unparalleled, as she looks to continue leading the Huskers to success in the years to come.

Brink helped Nebraska to a seventh-place national finish in 2017, and guided the Huskers on their way to a Big Ten regular-season championship. She coached Danielle Breen to second-team All-America honors on beam, as Breen tied for sixth at the NCAA Semifinal with a score of 9.900. The Husker beam squad came up clutch in two of NU's most important meets of the season, as Nebraska finished on the event at both the B1G Five meet and the NCAA Lincoln Regional. At the B1G Five meet, NU clinched the Big Ten regular-season title following Grace Williams' career-high 9.95. The Huskers needed a strong beam performance at the regional to advance to the NCAA Championships, and Williams posted a 9.90 and Breen scored a career-high 9.95 to seal the trip to nationals. At the NCAA Semifinal, NU posted a season-high 49.3000 on the event, led by Breen's score. Brink also helped Ashley Lambert to a pair of second-team All-America honors on vault and floor and Sienna Crouse to first-team recognition on vault.

In 2016, Brink's first season as associate head coach, Nebraska finished eighth nationally at the NCAA Championships. The Husker beam squad was among the strongest in the country, ranking in the top 10 for most of the season. Williams captured eight beam titles on the season, including the Big Ten beam title. Brink also helped Hollie Blanske to first-team All-America honors on vault and second-team All-America honors on floor exercise and in the all-around.

In 2015, Brink helped guide the Huskers to an eighth-place national finish and a third-place finish at the Big Ten Championships. Nebraska's beam lineup posted a season-high score of 49.475 at the B1G Five qualifier, while the Huskers captured six individual beam titles on the season. Brink was instrumental in helping to develop Blanske, Jessie DeZiel and Lambert into All-America performers in the 2015 season.

Brink helped Nebraska's beam lineup to a record-breaking performance at the 2014 NCAA Championships, as the Huskers posted a 49.450 to secure their spot in the Super Six finals. In addition, Blanske, DeZiel, Jamie Schleppebach and Emily Wong took home All-America honors on the event. NU collected nine event titles on beam including a Big Ten champion in Wong.

Brink contributed to Nebraska's continued success in 2013 as the Huskers claimed 13 beam titles including the Big Ten Championship beam title with Wong and Jennifer Lauer posting 9.90 scores. Wong went on to claim second-team All-America accolades on the event.

In her first season as an assistant with the Huskers in 2012, Brink helped coach Wong to first-team All-America honors on beam. Brink's assistance with NU's floor routines also guided DeZiel to first-team All-America honors and Wong to second-team honors on the event.

BEFORE NEBRASKA

Brink, who competed for the Huskers from 1997 to 2000, permanently etched her name in the Nebraska record books by winning two national titles at the 2000 NCAA Championships in Boise, Idaho. Brink became the first Husker female to win an all-around national title and the second to win a vault national title in leading the Huskers to the Super Six Finals and a fourth-place national finish. Brink was selected as the Honda Award winner in 2000, representing the nation's top female collegiate gymnast. Brink owns the third-highest uneven bars score in program history and the eighth-highest all-around score. She became the first Husker gymnast to score a 10.0, and recorded three perfect scores during her senior season. She closed her collegiate career as one of the most decorated gymnasts in school history, earning two NCAA titles, 11 All-America awards, six regional titles and eight conference crowns. Brink was inducted into the University of Nebraska Athletics Hall of Fame in 2016.

PERSONAL

Prior to joining the Nebraska staff, Brink worked for Ameritas in Lincoln as a pension administration specialist. Brink is a 2001 graduate of Nebraska with a bachelor's degree in business administration and human resource management. Heather and her husband, Jon, have a two sons, Jaxon and Hunter.

CHRIS BROOKS

A strong performer on beam and floor, she will look to provide experience and leadership to the young Huskers as one of three seniors this year. She expects to perform on vault, beam and floor.

2017 (JUNIOR)

After a strong sophomore season as an all-around performer, Grace Williams took a new role in 2017 for the Huskers as a three event specialist. Williams helped lead the Huskers to a seventh-place national finish with her performances on vault and balance beam, while being a key member of the floor lineup for most of the season.

Williams tied her career-high with a 9.95 on beam at the B1G Five meet, giving her the event title and helping the Huskers clinch the Big Ten regular-season title. She also captured a beam title against Iowa with a score of 9.875. Her 9.90 on beam at the NCAA Lincoln Regional helped NU advance to the NCAA Championships for a fourth-consecutive season.

She also saw action on the floor exercise in eight of NU's 12 meets, posting a season-high of 9.875 at the GymQuarters Invitational. Williams vaulted in three of Nebraska's final four meets, with a top score of 9.825 at the NCAA Lincoln Regional.

Williams continued her success outside of the gym by earning Academic All-Big Ten honors for the second time. She added a spot on the Nebraska Scholar-Athlete Honor Roll in fall of 2016 and was a member of the 2017 Tom Osborne Citizenship Team.

2016 (SOPHOMORE)

After an outstanding freshman campaign, Williams solidified her spot as one of Nebraska's top all-around competitors as a sophomore. She earned eight beam titles on the season and achieved career highs on three events and in the all-around.

Williams was named first-team All-Big Ten and earned a spot on the Big Ten All-Championships Team on uneven bars and balance beam. She was the Big Ten beam co-champion and the co-champion on beam at the NCAA Iowa City Regional to help the Huskers to their 24th NCAA Championships appearance.

Williams hit 49 of 53 routines and earned 13 total event titles, reaching career-high scores on uneven bars and floor exercise with scores of 9.925. She also scored a near-perfect 9.95 balance beam routine to help the Huskers to an upset of third-ranked Michigan, becoming the first Husker to hit a 9.95 or better on beam since 2014. She also earned a career-high all-around score against Michigan, hitting a 39.500.

A standout in the classroom, Williams earned Academic All-Big Ten honors and claimed a spot on the Nebraska Scholar-Athlete Honor Roll in

the spring. She was also named to the Tom Osborne Citizenship Team.

2015 (FRESHMAN)

Williams began her Husker career with a splash as one of Nebraska's steady trio of all-around performers. She captured four event titles with two coming on beam. She was named Big Ten Freshman of the Week in back-to-back weeks after stellar all-around performances late in the season.

One of NU's most consistent beam workers, Williams competed on the event in all but one meet in 2015. She posted her season-high 9.925 on beam against Penn State to capture the first event title of her career. Williams notched a season-best 9.90 on floor at the Rutgers quadrangular, while also tallying a 9.90 on bars at the Masters Classic.

In the latter half of the regular season, Williams proved herself as a strong all-around competitor, posting a solid 39.375 at the Masters Classic. Her career-best 9.90 on vault came at the B1G Five meet. In the postseason, Williams demonstrated her consistency in the all-around, earning a spot on the bars podium at the NCAA Ames Regional after tying for third with a 9.85.

She got off to a great start in the classroom, earning spots on the Nebraska Scholar-Athlete Honor Roll in both semesters. She was also named to the Tom Osborne Citizenship Team in 2015.

2017 NEBRASKA SEASON REVIEW

The Nebraska women's gymnastics team wrapped up its 2017 season with a seventh-place finish at the NCAA Championships with a score of 197.2125 in St. Louis, Mo., finishing the season with a 29-10 record.

The Cornhuskers posted their highest national finish since taking sixth in 2014, and NU's team score was its second-highest in the program's 25 NCAA Semifinal appearances, just behind a score of 197.325 in 2003. Nebraska's 29 victories in 2017 were its most since posting 32 wins in 2003.

Nebraska won its second Big Ten regular-season championship in 2017, and its 25th overall conference title after going 8-1 against Big Ten competition. The Huskers finished fourth at the Big Ten Championships with a score of 196.475, and posted a second-place finish at the NCAA Lincoln Regional with a score of 196.625 to advance to the NCAA Championships.

The Huskers received a total of four All-America honors in 2017. Senior Ashley Lambert added two more All-America honors to give her three for her career, earning second-team honors on vault and floor in 2017. Sienna Crouse and Danielle Breen both earned All-America accolades for the first time, as Crouse notched first-team honors on vault, while Breen garnered second-team recognition on beam.

Taylor Houchin became the second NU gymnast to be named Big Ten Freshman of the Year, joining Jessie DeZiel, who earned the honor in 2012. Houchin, Lambert and senior Jennie Laeng earned first-team All-Big Ten accolades in 2017, while Breen, Crouse and Megan Schwehofer received second-team honors. Laeng, Crouse and Houchin each earned Big Ten All-Championships Team honors, as Laeng finished tied for second on bars, while Crouse and Houchin tied for third on vault at the conference meet.

The 2017 Huskers left their mark on the program's record books, led by Houchin's Nebraska freshman-record all-around score of 39.650 at the Masters Classic. Houchin also tied a Nebraska freshman record with a 9.95 on floor twice in 2017, both at the GymQuarters Invitational and the Masters Classic. Danielle Breen's 9.95 on beam at the NCAA Lincoln Regional tied the program record in NCAA postseason competition. NU also put forth the fifth-highest floor score in school history, a 49.550 at the GymQuarters Invitational, and the ninth- and 10th-highest away scores in school history, the 197.2125 at the NCAA Semifinal and a 197.175 at the GymQuarters Invitational.

earned second-team CoSIDA Academic All-America and Academic-All District 7 honors. Nine Huskers were named Academic All-Big Ten, while 13 Nebraska gymnasts were named to the Nebraska Scholar-Athlete Honor Roll for the fall semester and 12 for the spring semester. The Huskers were also honored for their work in the community, capturing the prestigious Women's Life Skills Award of Excellence at NU's student-athlete awards ceremony, A Night at the Lied. All 15 Huskers were named to the Tom Osborne Citizenship Team in 2017.

Nebraska's two seniors, Laeng and Lambert ended their careers by leading the Huskers to the NCAA Championships for a fourth time, as the pair finished no lower than eighth during their time at NU. Laeng hit three career-high marks during her senior season, and won seven event titles while hitting 51 of 56 routines in 2017. She competed in the all-around for the Big Red in 10 of NU's 12 meets, and she was named Big Ten Gymnast of the Week on March 13. Lambert won nine event titles and earned Big Ten Event Specialist-of-the-Week honors twice during her senior season.

Juniors Breen and Grace Williams continued to deliver strong routines for Nebraska in 2017, while transfer Abbie Epperson showed promise during her first year as a Husker. Breen competed on three

events in seven meets, anchoring NU's beam lineup the last nine meets of the season. Her beam score of 9.95 at the NCAA regional was a career high and tied with Williams for NU's highest score on the event this season. Epperson was a mainstay in the vault, bars and beam lineups for much of the season, and her career-high 9.925 on bars at the B1G Five meet helped NU clinch the Big Ten regular-season title. After a shoulder injury prior to the season limited her to three events and a somewhat slow start to the season, Williams hit key beam routines in each of NU's final eight meets, highlighted by a 9.95 at the B1G Five meet. She was also in the floor lineup for most of the season and saw action on vault in both NCAA competitions.

Crouse and Schwehofer both took major steps forward in their sophomore seasons, as both were among NU's strongest performers on multiple events. Crouse set career highs on all four events and in the all-around, including her 9.9125 on vault to join an iconic list of Huskers who have won first-team All-America honors. She won seven event titles on the season, while hitting 41 of 44 routines. Schwehofer also posted career highs on four events and the all-around, as she claimed four event titles for the Huskers in 2017. She was the only Husker to hit a score of 9.90 or above on each event at least once last season.

Freshmen Houchin and Sierra Hassel both made the jump from club to collegiate gymnastics, as Houchin was one of the Huskers' most consistent performers and Hassel was an important contributor to the beam lineup down the stretch in 2017. Houchin was voted Big Ten Freshman of the Year in 2017. She competed all-around in nine of NU's 12 meets as a freshman, hitting 46 of 51 routines. She posted personal bests of at least 9.875 on each event, including her NU freshman-record-tying 9.95 on floor and program freshman record 39.650 in the all-around. She won a total of eight event titles, three Big Ten Freshman-of-the-Week honors and one Big Ten Gymnast-of-the-Week award in 2017. After not competing on beam in the first eight meets of the season, Hassel was inserted into the beam lineup at the B1G Five meet and hit a solid 9.85 to help the Huskers clinch the Big Ten regular-season

2017 (SENIOR)

Jennie Laeng capped her career at Nebraska with a strong senior season, leading the Huskers back to the NCAA Championships and helping NU to a Big Ten regular-season championship. She competed in the all-around in 10 of Nebraska's 12 meets in 2017, hitting three career-high marks and winning seven event titles on the year. Laeng earned first-team All-Big Ten honors and was named to the Big Ten All-Championships team as she tied for second on bars with a 9.90 at the conference meet.

Laeng was at her best during two of NU's most important meets of the season, as she posted back-to-back career-high 39.400s at the B1G Five meet and the Big Ten Championships. She won the all-around title at the B1G Five meet and earned Big Ten Gymnast-of-the-Week honors as she helped NU clinch the regular-season title. She also posted a strong 39.3750 in the all-around at the NCAA Semifinal to finish 10th and help the Huskers to a seventh-place national finish.

The 2015 Big Ten uneven bars co-champion was again strong on the event in 2017, as she hit a season-high 9.925 to open the season against Penn State and anchored the Huskers on the event in 11 meets, including each of the last 10.

Laeng tied her career high on vault with a 9.90 at the Oklahoma quad meet, and she also tied a career high with a 9.925 on floor at the Masters Classic. She posted a season best of 9.875 on beam twice, at the B1G Five meet and at the NCAA Semifinal.

Laeng's leadership extended from the gym to the classroom and the community, as she was recognized for her outstanding commitment to academics and service throughout her career. In the classroom, Laeng was named Academic All-Big Ten for the third year in a row and she earned a spot on the Nebraska Scholar-Athlete Honor Roll in the fall and spring semesters. A May 2017 graduate with a degree in psychology, Laeng earned prestigious Big Ten and NCAA Postgraduate Scholarships. She also received a Nebraska Outstanding Scholar Award as one of five NU student-athletes in their final season of eligibility who were graduating with a GPA of 3.90 or better. scores across the board and was especially prominent on bars.

At the 2015 Big Ten Championships, Laeng took home her first conference crown after posting a career-high 9.95 routine on bars. She also earned Big Ten All-Championships Team accolades, the only Husker to achieve such an honor. A strong vaulter, Laeng posted personal bests of 9.90 in the leadoff position twice in 2015. She also tallied a season-best 9.875 on beam twice.

2014 (FRESHMAN)

She started her freshman campaign outside of every Husker lineup and finished the season competing as a three-event specialist on vault, bars and beam. In her collegiate debut against Michigan, Laeng took second on bars behind All-American Emily Wong by hitting a 9.875 and remained in the rotation the rest of the season.

Laeng showed her prowess on bars, as she became one of the Huskers' most consistent performers by scoring a 9.80 or better seven times on the season. In addition, Laeng competed in the all-around competition three times, earning her best performance at the Big Ten Quad with a 39.325 to boost the Huskers' efforts to claim the Big Ten regular-season conference title.

NEBRASKA'S NCAA CHAMPIONS

MICHELE BRYANT:
NU'S FIRST CHAMPION

Michele Bryant
1990 NCAA Vault
Champion

Michele Bryant will forever hold one distinction that no other Husker female gymnast can claim

A native of Blue Springs, Mo., Bryant became the first female gymnast in school history to win a national title, capturing the NCAA vault championship with a score of 9.85 at the 1990 NCAA Championships in Corvallis, Ore. Bryant's vault score also set a

Nebraska school record held until 1994.

Bryant's NCAA championship capped an impressive Husker career that saw her earn three first-team All-America honors and four Big Eight Championships.

A four-time all-conference selection, Bryant led Nebraska to a 59-20 regular-season record and four Big Eight championships during her collegiate career. It was the first time a gymnastics team had won four straight conference titles in Big Eight history.

At the national level, the Huskers also qualified for the NCAA Championships all four years she competed, the first time in school history the Huskers qualified for nationals in four straight years, while guiding the Huskers to a pair of top-five finishes. As a junior, Bryant earned first-team All-America honors on uneven bars, as the Huskers finished fourth, their best finish in school history. In addition to her vault title, she placed sixth on uneven bars, becoming the first Husker gymnast to earn All-America honors in consecutive seasons, as the Huskers finished fifth at the 1990 NCAA Championships.

The first three-time All-America gymnast in school history, Bryant shared the Big Eight all-around title with fellow Husker Lisa McCrady in 1989 with a score of 38.900, while winning the balance beam title as a junior and the vault title as a senior. Bryant finished her career as Nebraska's school record holder in the all-around (39.000) and vault (9.85).

Bryant's contributions to Husker athletics were recognized with her selection as one of Nebraska's 25 Women of Distinction during the Athletic Department's 25-year celebration in April of 2000. Bryant married John McJunkins in 2005 and has a son, Austin (14), a stepdaughter, Johnna (17) and a stepson, Jaryd (10). She currently works as an accountant in Benton, Ark.

HEATHER BRINK:
THE BEST OF 2000

Heather Brink
2000 NCAA All-Around
and Vault Champion

The 2000 season was the culmination of an outstanding career for Heather Brink. The senior from Lincoln permanently etched her name into the record books, winning two national titles at the NCAA Championships in Boise, Idaho, as the Huskers placed fourth at nationals – equaling their best finish in school history.

Brink became the first Husker female to win an all-around national title, scoring a 39.600 to lead the Huskers to the Super Six Finals for the third time in four years. Entering the final event, Brink was in third place and needed a 9.925 for a share of the all-around title. Brink came through with the finest floor routine of her career, scoring a 9.95 and equaling NU's school record to win by .025 of a point.

In the Super Six Finals one night later, Brink was flawless, posting the top score of the evening with a 39.625, including a 9.95 on vault and a 9.925 on uneven bars, as the Huskers recorded their best finish in 11 years. In the event finals, she won her second NCAA title, placing first on vault with a 9.95, while finishing second on uneven bars (9.925) and eighth on floor exercise (9.80). Overall, she earned five All-America honors (four first-team and one second-team).

For her efforts, she was selected as the Honda Award winner, representing the nation's top female collegiate gymnast. Brink joined softball standout Denise Day (1985) and volleyball players Karen Dahlgren (1987) and Allison Weston (1995) as NU's fourth Honda Award winner. Greichaly Cepero won NU's fifth Honda Award in 2000, as the nation's top volleyball player, while Sarah Pavan added honors in 2006.

The 2000 Big 12 and Region 3 Gymnast of the Year, Brink posted eight of the top 10 all-around totals in school history, including a school record of 39.70 at the NCAA Regional. She also became the first Husker gymnast to score a 10.00, recording the mark on vault against Iowa State on Feb. 15, one of three perfect 10s during the season. She closed her collegiate career as the most decorated gymnast in school history, earning two NCAA titles, 11 All-America awards, six regional titles and eight conference titles.

Brink joined the Nebraska staff as assistant coach before the 2012 season and was named associate head coach prior to the 2016 season. She and her husband, Jon, have two sons, Jaxon and Hunter.

RICHELLE SIMPSON:
THE NATION'S FINEST

Richelle Simpson
2003 NCAA All-Around
and Floor Exercise
Champion

Richelle Simpson holds a special place in Nebraska gymnastics history after her record-setting performances in 2002, 2003 and 2005.

As the only Husker gymnast to ever earn first-team All-America honors on all four events and the all-around in the same year, Simpson garnered five first-team awards at the 2003 NCAA Championships,

leading the Huskers to a fourth-place national finish at the Bob Devaney Sports Center.

Entering the week of the championships as the nation's top-ranked all-arounder, she captured the NCAA all-around crown with a 39.675, edging out 2002 NCAA Champion Jamie Dantzscher of UCLA, who earned the top all-around performance in Session I of the NCAA Preliminaries with a 39.650.

At the NCAA Super Six Finals, Simpson went on to dominate the competition, producing the top individual performance with scores of 9.925 or better on all four events for an all-around total of 39.800. In the individual event finals, Simpson added an NCAA individual floor title (9.963) to her arsenal of accomplishments.

After being granted a medical hardship year in 2004 by the NCAA, Simpson returned with a vengeance in 2005, leading NU to its first-ever No. 1 ranking after the Masters Classic.

The Toronto, Ontario, native provided an unmatched spark in Nebraska's run to the NCAA Super Six Finals, as the Huskers reclaimed the Big 12 Conference championship.

Simpson, the 2005 South Central Regional Co-Gymnast of the Year, holds or shares records in four categories on Nebraska's all-time charts.

Simpson also became NU's first AAI Award winner in 2005, an honor annually given to the nation's top gymnast on the basis of athleticism, academic excellence and civic responsibility.

She capped her career by earning the first NCAA Top Ten Award in the history of Nebraska women's gymnastics. Simpson became NU's nation-leading 15th student-athlete across all sports to win the Top Ten Award, which is the highest honor given by the NCAA.

Simpson was also the Big 12 Female Sportsperson of the Year, Nebraska's Female Student-Athlete of the Year and was awarded NCAA and Big 12 Postgraduate Scholarships at the conclusion of her final season in 2005. In the fall of 2015, she was honored as the first women's gymnast in the Nebraska Athletics Hall of Fame.

Simpson now lives in Las Vegas and performs in the Cirque du Soleil show Mystère with former Husker gymnast A.J. Lamb. Simpson made her debut with Cirque du Soleil in September 2006 and specializes in Chinese poles and the teeterboard.

NEBRASKA'S ACADEMIC ALL-AMERICANS

For Head Coach Dan Kendig and the Nebraska women's gymnastics program, academic success is as paramount as athletic accomplishments. With 10 gymnasts capturing 15 CoSIDA Academic All-America honors and 46 women capturing 97 NACGC/W Scholastic All-America awards since 1994, the Huskers have maintained a high standard of academic excellence and set high expectations at the University of Nebraska.

Since 1988, 10 Husker gymnasts have earned CoSIDA Academic All-America recognition, while Nebraska boasts a nation-leading 329 Academic All-America honors across all sports.

Mary Ocel was the first NU gymnast to earn Academic All-America status, garnering third-team honors in 1988 with a 3.9 GPA. Jane Clemons earned a third-team spot in 1990 with a 3.663 GPA in addition to her Big Eight all-around title that year. In 1993 and 1994, Nicole Duval was named a third-team academic All-American before garnering first-team accolades as a senior, becoming the only Husker to ever earn the scholastic honor three times. Duval also became the first Husker gymnast to be named Nebraska's Female Student-Athlete of the Year in 1994-95.

Joy Taylor, the 1996 Academic All-American Gymnast of the Year, graduated with a 4.0 GPA in biological sciences in 1996. A two-time Academic All-America selection, she was the first Husker female gymnast to earn both athletic and academic All-America honors in the same season. Her teammate, Kim DeHaan, who was a first-team Academic All-America selection, followed in Taylor's footsteps by earning scholastic and athletic honors in the same season.

Bree Dority-O'Callaghan captured third-team Academic All-America and second-team All-America honors on the uneven bars in 2001. She graduated in August 2003 with degrees in economics and finance.

In 2002 and 2003, Jen French was named to the Academic All-America second team, while her teammate Libby Landgraf was named first-team Academic All-American in 2004, becoming the eighth honoree.

Richelle Simpson, who was NU's Female Student-Athlete of the Year in 2004-05, was named to the second team and earned a multitude of national awards in her junior and senior seasons, including the AAI Award and the NCAA Today's Top Ten Award.

Emily Wong earned second-team selection in 2013 and first team honors in 2014. An 11-time All-American in competition and Nebraska's second AAI Award winner, Wong capped one of the most successful senior seasons as a Nebraska gymnast in 2014. The Big Ten Gymnast of the Year collected numerous awards through her final season at Nebraska and earned her second CoSIDA Academic All-America award.

ALL-BIG TEN

Until 2017, the All-Conference teams feature the top-six performers in the all-around and the top six in each of the four events, based on the athletes' regional qualifying average. Beginning in 2017, All-Big Ten teams are determined using the Regional Qualifying Scores

from RoadToNationals.com. The top 15 individuals are taken from each event and the AA, and using a point system, the top-15 point-getters (ties included) receive first-team honors and the next 15 receive second-team honors.

UNIVERSITY SYSTEM PRESIDENT

**HANK
BOUNDS, PH.D**

 UNIVERSITY OF NEBRASKA PRESIDENT | 3RD YEAR
 SOUTHERN MISSISSIPPI | 1991

On Jan. 12, 2015, the Board of Regents appointed lifelong educator Hank M. Bounds, Ph.D., as the seventh president of the University of Nebraska. Bounds began his tenure as president on April 13, 2015, bringing with him a demonstrated record of expanding opportunities for students, improving higher education outcomes and efficiencies, and building successful partnerships with policymakers, donors and business leaders.

Bounds grew up on a small farm in rural Mississippi, where his family raised hogs and cattle and he hauled hay. His service in the Army National Guard helped him pay for college, and he earned bachelor's and master's degrees from the University of Southern Mississippi and a doctorate from the University of Mississippi.

Bounds has devoted his 25-year career to helping change students' lives in the same way education opened doors in his own life. He began as a high school teacher, then rose to principal, superintendent and state superintendent before becoming Mississippi's commissioner of higher education in 2009. In that role, he oversaw a complex system of eight public universities including research universities, regional universities, an academic health science center, historically black institutions, a law center, a school of veterinary medicine and 200 institutes and centers. Together the system enrolled 85,000 students, employed 26,000 faculty and staff, and operated with a combined annual budget of \$4.5 billion, including \$500 million in research and development.

During every year of Bounds' tenure as commissioner, student enrollment and degrees awarded by the institutions in the Mississippi system increased, by a total of 13.3 percent and 11.4 percent, respectively. He advocated with legislative leadership for improved faculty compensation and providing greater opportunities for students. He also provided oversight for private fundraising in excess of \$250 million per year.

Bounds worked with the Board of Trustees to implement a performance-based allocation model that distributed funds equitably and rewarded universities for operating efficiently and achieving attainment outcomes. He designed an efficiencies plan that saved more than \$90 million, an internal audit function, and a comprehensive diversity initiative that led to increased diversity among Mississippi faculty, staff and students.

Bounds also worked with partners to increase educational attainment in Mississippi, including a Center for Education Innovation focused on improving learning opportunities for disadvantaged children. Bounds created an office to foster relationships among university researchers, business and industry, and economic developers. He was tapped by the business community to chair a major statewide initiative to create an action plan to improve Mississippi's competitive position.

Bounds brings this experience to the University of Nebraska, which he believes can serve as a catalyst for change and growth in the lives of students and people in the state and around the world. He is working to make the University of Nebraska a giant in higher education—for the benefit of the state, the country and the world.

Bounds holds faculty appointments in the College of Education and Human Sciences at the University of Nebraska-Lincoln and in the Colleges of Education at the University of Nebraska at Omaha and the University of Nebraska at Kearney. He and his wife, Susie, are the parents of a son, Will, and a daughter, Caroline. They reside in Lincoln, Neb.

UNIVERSITY BOARD OF REGENTS

The Board of Regents consists of eight voting members elected by district for six-year terms, and four non-voting student Regents, one from each campus, who serve during their tenure as student body president. The board supervises the general operations of the university, and the control and direction of all expenditures. The board also includes a corporation secretary who manages all records including agendas, minutes, notices, policies and bylaws. Those documents can be found on the web at nebraska.edu/board/.

*Interim Co-Directors

William H. (Bill) Moos was named Nebraska's Athletic Director on Oct. 15, 2017, and fully assumed those responsibilities on Oct. 23.

Moos, who became the 15th athletic director in the history of the storied Cornhusker program, brings nearly 25 years of experience as an athletic director at three Division I schools (Washington State, Oregon, Montana) with him to Nebraska. More importantly, he brings an impressive track record of success in building outstanding programs, developing long-term relationships, and for doing what is best for his schools, its fans and most

importantly, its student-athletes.

"When you name the top three, four, five athletic programs in the great positions as an athletic director, Nebraska is in that same breath," Moos said at his introductory press conference at Memorial Stadium. "I want you to know that my motto has always been, in the 25 years I have been a Division I athletic director and it will be here too is very simple - honor the past, live the present, create the future."

Moos came to Lincoln after spending seven-plus years at Washington State (2010-17). He previously served 12 highly successful seasons as the athletic director at Oregon (1995-2007).

During his time at his alma mater, Moos wasted little time in making his impact felt in Cougar Athletics, spearheading a department-wide rebranding effort with Nike while securing a 10-year, \$35 million marketing rights agreement with IMG College.

In addition, the 2004 WSU Alumni Achievement Award winner gained Regents approval for a \$130 million addition and remodel of Martin Stadium, featuring a remodeled press box with luxury seating, including suites, loge boxes and club room. Also included in the project was a state-of-the-art video board and an 80,000-square-foot football operations building that served as the stadium's showpiece and opened in May 2014.

As the dean of Pac-12 athletic directors, Moos was at the forefront of the conference's procurement of a 12-year, \$3 billion television contract with FOX and ESPN, a landmark agreement in college athletics.

Under Moos' direction, the Cougar Athletic Fund's Annual Giving program saw an 81 percent increase in gifts while CAF donor members rose from nearly 4,000 to more than 7,500.

Additional facility enhancements under Moos included a center-hung video board in Beasley Coliseum that was installed prior to the 2011-12 season, giving Cougar basketball one of the premier fan experiences in the conference. An indoor golf hitting facility was also completed in early 2013, and Lower Soccer Field underwent a major renovation making the venue TV-ready while also providing one of the best playing surfaces on the West Coast, along with the addition of lights and a new scoreboard.

Other enhancements were made to the Moobery track facility, Bailey-Brayton Field, the basketball practice gym, Gibb Pool and the Simmelink Indoor tennis courts.

In Moos' seven years at WSU, Cougar student-athletes and coaches accounted for 805 academic all-conference selections, 130 all-conference accolades, 45 All-America honors and three Pac-12 Coach-of-the-Year honors.

Moos served as Oregon's director of athletics from July of 1995 to 2007. While at Oregon he oversaw a 17-sport athletic department that grew to national prominence during his tenure.

Oregon's annual athletic department budget grew from \$18.5 million in his first year to more than \$40 million by 2007, becoming 100 percent self-sufficient during that time. Under his direction the Duck Athletic Fund donor base increased from 4,930 to 12,290, resulting in an annual gifts increase from \$4.1 million to \$15.3 million.

Moos initiated more than \$160 million in facility improvements while at Oregon. Included in that was the \$90 million Autzen Stadium renovation in 2002, which added 12,000 new seats, 32 new suites, a new Club at Autzen and a new press box to the stadium. In his 12 years, the Ducks ranked first in Pac-10 football attendance 11 times, reaching 100 percent capacity in each of those seasons.

During Moos' tenure, Oregon athletics captured 13 Pac-10 championships across six different sports. He increased opportunities for women by adding two intercollegiate programs, soccer and lacrosse, and negotiated an all-inclusive shoe and apparel contract with Nike, one of only 14 in the country at the time. From an academic standpoint during Moos' tenure, Oregon student-athletes collected 722 academic all-conference selections, 34 Academic All-America selections, nine NCAA Postgraduate Scholarships and one NCAA Top Ten Award.

During his first stint as a collegiate athletic director at Montana (1990-95), Moos created an academic support program and hired its first athletic academic coordinator, developed a facility enhancement plan that created more than \$4 million in improvements, and lifted the school's fund-raising efforts to show a 300 percent increase in private and corporate gifts.

Academically, Montana student-athletes were equally successful as the athletic department achieved a graduation rate 20 percent higher than the general university enrollment. Under Moos' watch Montana garnered 269 academic all-conference selections, five Academic All-Americans and two NCAA Postgraduate Scholarship recipients.

Moos began his athletic career as an athletic administrator in 1982 as assistant athletic director at Washington State. He also served as the school's associate athletic director (1988-90).

At Washington State, he was director of development for more than five years and associate director for nearly two years, supervising all external operations. Prior to that, he managed and owned private businesses in Washington and Oregon for eight years. He was a student assistant football coach at Washington State for the 1973 season, then spent part of 1974 in Washington, D.C., serving as a government intern.

Raised on a wheat and cattle ranch in eastern Washington, Moos attended high school in Olympia when his father served in the governor's cabinet. Moos earned his bachelor's degree in history from WSU and was a three-year letterman in football before concluding his collegiate career by representing Washington State in the 1972 East-West Shrine All-Star Game in San Francisco.

He served as co-captain on the Cougars' 1972 squad and garnered first-team All-Pac-8 Conference honors.

Moos and his wife Kendra have three daughters: Christa, Brittany and Kaiti; and two sons, Bo and Benjamin.

THE BIG TEN CONFERENCE

James E. Delany
Commissioner

Known as one of intercollegiate sports' most successful undertakings, the Big Ten is home to a lineage of legendary names and an ongoing tradition of developing strong leaders. Even in its infancy, the conference established itself as the preeminent collection of institutions in the nation, where the pursuit of academic excellence prevailed as the definitive goal.

The history of the Big Ten traces back more than 120 years to the Palmer House hotel in Chicago, where on January 11, 1895, then-Purdue president James H. Smart and leaders from the University of Chicago, University of Illinois, University of Michigan, University of Minnesota, Northwestern University and University of Wisconsin set out to organize and develop principles for the regulation of intercollegiate athletics.

At that meeting, a blueprint for the administration of college athletics under the direction of appointed faculty representatives was outlined. The presidents' first known action "restricted eligibility for athletics to bonafide, full-time students who were not delinquent in their studies." That important legislation, along with other legislation that would follow in the coming years, served as the primary building block for intercollegiate athletics.

On February 8, 1896, one faculty member from each of those seven universities met at the same Palmer House and officially established the mechanics of the conference, which was officially incorporated as the "Intercollegiate Conference Athletic Association" in 1905.

Indiana University and the State University of Iowa became the eighth and ninth members in 1899. In 1908, Michigan briefly withdrew its membership, and in 1912 Ohio State University joined the conference, bringing its membership total back to nine. Upon Michigan's return in 1917, the conference was first referred to as the "Big Ten" by media members, and that name was eventually incorporated in 1987.

As the 1900s opened, faculty representatives established rules for intercollegiate athletics that were novel for the time. As early as 1904, the faculty approved legislation that required eligible athletes to meet entrance requirements and to have completed a full year's work, along with having one year of residence.

In 1901, the first Big Ten Championship event was staged when the outdoor track and field championships were held at the University of Chicago. The debut event marked what is now a staple of conference competition. Today, the Big Ten sponsors 28 official sports, 14 for men and 14 for women, including the addition of men's ice hockey and men's and women's lacrosse over the last three years. Big Ten schools compete in a total of 42 different sports, furthering the conference's commitment to broad-based programming and providing more participation opportunities than any conference in the country.

One of the conference's proudest traditions began in 1902 when Michigan took on Stanford in the Rose Bowl, the nation's first bowl game. Big Ten teams only appeared in Pasadena twice before the conference signed an exclusive contract with the Tournament of Roses in 1946, making it the first bowl game with permanent conference affiliations. But Michigan's appearance in 1902 cultivated a relationship that has endured for more than a century. In January 2014, Michigan State defeated Stanford in the 100th Rose Bowl Game.

Coupling the academic goals set forth by the leaders of the charter members of the conference and their steadfast commitment to athletics, the conference instituted the Big Ten Medal of Honor in 1915. It is awarded annually by each conference institution to a student of the graduating class who has attained the greatest proficiency in scholarship and athletics. It is the most prestigious honor a student competing in Big Ten athletics can receive.

In 1922, Major John L. Griffith became the conference's first "Commissioner of Athletics." Griffith was the first of five men to assume the role of commissioner in the conference's history, followed by Kenneth L. "Tug" Wilson in 1945, Bill Reed in 1961, Wayne Duke in 1971 and current commissioner James E. Delany in 1989.

After nearly 30 years with 10 members, the conference consolidated to nine schools when the University of Chicago formally withdrew its membership in 1946. Michigan State College (now Michigan State University) was added to the Big Ten three years later, bringing the number of affiliated conference schools to 10 once again.

In 1955, the Big Ten formulated a revenue-sharing model designed to pool all football television rights of its members and share those proceeds equally. The conference and its members continue to utilize a revenue-sharing model, dividing media rights, bowl payouts and other profits among all conference institutions.

While academics have always played an integral role in the conference, presidents of the Big Ten member institutions formalized the primacy of academics with the establishment of the Big Ten Academic Alliance (formerly the Committee on Institutional Cooperation) in 1958. The Big Ten Academic Alliance is an academic consortium of all Big Ten universities. In 2014, the schools currently constituting the Big Ten Academic Alliance produced over \$10 billion in funded research, \$5 billion more than any other conference.

In one of Duke's first actions as commissioner, he oversaw the adoption of the Big Ten Advisory Commission in 1972, designed to study conference programs and make suggestions which would further Big Ten objectives. The Advisory Commission enlists former students that competed in Big Ten athletics to serve as liaisons to the NCAA's Diversity and Inclusion Department, the Big Ten Student-Athlete Advisory Commission and other organizations.

In 1981, the conference presidents and chancellors endorsed a proposal that enabled universities to affiliate their women's intercollegiate programs with the conference, and the first conference championships for women were staged that fall. The Big Ten was the first conference to voluntarily adopt male and female participation goals after launching its Gender Equity Action Plan in 1992.

In December of 1989, the conference agreed in principle to invite Pennsylvania State University for membership. On June 4, 1990, the Council of Presidents officially voted to integrate Penn State into the conference, giving the Big Ten 11 members.

In 2004, the Big Ten implemented a pilot program of instant replay for college football. Following the season, the conference forwarded replay proposals to the NCAA regarding the future use of instant replay, where it approved country-wide testing in 2005. In 2006, the NCAA approved the use of instant replay for all conferences.

In 2006, Delany announced the creation of the first conference-owned television network, a 20-year agreement with FOX Networks to create what would become the Big Ten Network (BTN). Launched on Aug. 30, 2007, BTN now produces more than 1,000 events across all platforms each year. BTN is in more than 60 million homes in the U.S. and Canada via the nation's major cable, satellite and telco providers and more than 300 additional cable operators across the country. BTN2Go is the digital extension of BTN, delivering live and on-demand programming to computers, smartphones and tablets and also is accessible outside the U.S., Canada and the Caribbean via BTN2Go International.

On June 11, 2010, the Big Ten Council of Presidents/Chancellors (COP/C) approved a formal membership application by the University of Nebraska, expanding the conference to 12 institutions. Nebraska officially joined the Big Ten on July 1, 2011.

The conference expanded its footprint further in 2012 when the COP/C approved formal membership applications from the University of Maryland and Rutgers University on November 19 and 20, respectively. Maryland and Rutgers became official Big Ten members on July 1, 2014, giving the conference almost 9,500 students participating in intercollegiate athletics and more than 11,000 participation opportunities on 350 teams.

Since opening in the fall of 2013, the Big Ten conference center has hosted more than 300 meetings annually for member institutions, Big Ten Academic Alliance (formerly CIC) related committees and coaches groups. The headquarters also features an interactive digital museum - the Big Ten Experience - which opened to the public on June 7, 2014, and brings the conference's storied academic and athletic history to life. For more information on the Big Ten Experience, go to bigten.org.

In June 2014, the Big Ten opened a second office in New York City, featuring both office and meeting space in Midtown Manhattan. Big Ten staff members are based in the New York City office to provide expanded coverage and service, while other conference and institutional administrators utilize the space as necessary when conducting business on the East Coast. The Big Ten and its member institutions also have access to satellite office space in Washington, D.C.

Delany and his staff work to meet the educational needs of students competing in intercollegiate athletics to allow them to excel in all areas of their lives. The conference office manages 28 different championships and tournaments, offers legislative and compliance services, oversees the production and distribution of more than 1,400 events annually, provides staff services to coaching and administrative personnel and services media and fans interest for information on the Big Ten.

More than 120 years after its inception, the Big Ten remains a national leader in intercollegiate athletics on and off the field. Big Ten programs have combined to win more than 450 team and 1,800 individual national championships, consistently taking home individual honors for athletic and academic accomplishments and fulfilling the Big Ten's mission of academic achievement and athletic success.
